

# DELIVERY GUARANTEE

**The Dean is opening on August 19th, 2020!**

We understand that there can be hesitation to sign a lease for a building still under construction, and the fact that some developers have failed to complete their projects on time in the past can make that decision even harder. We are proud of the fact this development team has never missed a delivery deadline and want you to be 100% comfortable in choosing The Dean as your new home. So, to show our confidence and eliminate that worry for you...

**Your move-in date will be on time and we GUARANTEE it!**

We're not just asking you to trust us - feel free to ask any of our expert Leasing Professionals about all the details of our Delivery Guarantee and how we're backing it up!
